Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Art Unit: 1771

Continuation of Box 3:

The amendment is not entered into consideration because the newly amended claim limitation of "plasticized polyvinyl chloride being plasticized with from 40 to 60% by weight of plasticizer" requires further search and consideration.

Continuation of Box 11:

With respect to Applicant's response, the response is not found persuasive because it relies on an amendment that is not entered.
